

The Troy Elks Nedy Family Christmas Project just finished our 35th year of helping families and children enjoy the holiday season. Over the years we have helped 434 families and over 1409 children. This year we were able to help 12 families and 52 children. Thank you for your donations and support. And thanks to all that helped shop and deliver.

FROM THE EXALTED RULER

I hope everyone had a Merry Christmas and a safe and exciting New Year's celebration!

We are now in the full swing of winter. How do I know this, besides the snow and frigid weather? Bowl games, Cleveland Browns playoff hopes, and waiting to see if the Cincinnati Reds finally spend some money this offseason. Like many other members, seasons ebb and flow based on which sports I'm able to watch.

Our lodge hosted several great events in December to help everyone celebrate the holiday season. A huge thanks to every member who helped set up, run, and clean up for these events. Your efforts are always appreciated. Big shout out to Santa as well! In addition, we are always welcome to feedback for future events. When I became Exalted Ruler, I wanted to continue to grow our great lodge, maybe even surpass Greenville as the largest lodge in the region. We've had several sizeable initiations recently and hope to have a few more. Keep up the hard work, referring awesome people to become members!
