January/February 2023

From The Exalted Ruler

Greetings once again. What a fast 2 months. Fall is gone and we have had our first snow. I would like to start by thanking all the volunteers who make our club so wonderful. Without my officers who help me make this club so great starting with Jesse O'Rouke, Jayne Ormberg, Ray and Amanda Stuchell, Tom Denlinger, Linda Pittenger, Linda Elliot, Scott Moyer and Sandra Getter. This group was your 2022 Officers thank you again for supporting me this year.

Speaking of Officers we will be nominating new officers for 2023 at our first meeting on February 2nd, so anyone interested in being a lodge officer please let one of the current officers know you are interested.

Our club is growing, which is a great thing. We have over 680 members between members and associate members. The dinners we have on Tuesdays, Wednesdays, and Fridays all bring in good crowds that have families with children. We need to remember our club supports all members and that all people should feel comfortable in coming into our club. With this being said if you have children make sure they are not running in the hallways and all members should be respectful of their behavior and the language they use. Thank you.

The past 2 months the club had several well attended events. We started with having a great **Veterans Dinner** in November followed by a **Memorial Service** in December where we honored the passing of 12 members in 2022. On December 4th we had our **Hoop Shoot Contest** held at Miami East that was very well attended by all schools in Miami County. A special thank you goes to Dr. Todd Rappold, the Superintendent of Miami East schools for his efforts of the team he put together to make this such a success. Christmas events were led by Bob Rohr and his helpers to make the **Needy Families** and 47 children. On December 17th Santa made a visit to the club that was a joyful event attended by 77 children. Thanks goes to Maggie Vance, Vickie Bazzel and Janina Mertz for working in making the **Children Christmas Party** such a success. All these events are done because of volunteers. I can't begin to thank all the people who lend a hand to make this club what it is today. In closing thanks goes out to all the members for supporting the club and making it a place so everyone can enjoy. I would like to close by wishing everyone a Happy New Year and may 2023 bring lots of happiness and joy to all.

Exalted Ruler Chester Bazzel
