## Seasonal Firewood Is Available

Members of the Farm Committee volunteer their time throughout the year cutting and splitting a variety of hardwood trees (ash, cherry, oak, walnut and others) to make available for sale to members and non-members. Our wood is seasoned, cut to approx 18 inches in length, and ready to burn in either your fireplace, wood burning stove or backyard fire pit. For anyone who has a smoker requiring either smaller cut wood (15 inches or less in length) or wood chips, we can accommodate your needs as well.

We sell stacks of firewood (half cord or full truckload quantity) to members for \$65 and non members \$75. We also have smaller sizes bundles of 8-9 pieces of Cherry wood available for \$3 per 1 lb bag. We can accommodate any other firewood quantity needs if less than full stack is required.

Proceeds from the sale of all firewood go directly to the upkeep and maintenance of all of the farm/recreational center buildings, property and equipment. The committee has recently used wood sales to repaint all of the playground equipment and refurbish the merry-go-round. We also use these funds to keep our two tractors up and running to keep the farm grounds maintained throughout the year (grass cut/leaves mulched). In general, our wood sales help defray the costs to maintain and operate the "farm" and help keep and improve the overall appearance of our Troy Elks #833 Recreation Center.

If interested in a firewood purchase please contact Larry Baugher ((937-216-0220) or Dave Gregorovic (937-623-7703) at any time during the year. We're also out at the farm during our monthly events throughout the spring, summer, and fall months. Come out and see what we have available. If we're around, we'll even help load your wood.

## Just A Few Reminders:

1. We would like to revisit the rules for children when in the club. We have had some complaints on nights we are busy. **When your children are in the club with you, they need to be seated at the table with you the whole time you are in the club.** We ask that they not run around or sit in walkways or on stairs where members and workers need to walk to serve you.
2. Your Mother Does Not Work here. So we ask that as you leave for the night that you **please clean your tables of any trash and return bar glasses back to the bar.**

## Elks Valentine Dinner

20 to 30 people were anticipated to sign up, but almost 70 people attended this lovely evening.

*Hats off to the entire crew from set ups, to cooks, to servers. Thank You.*

March/April 2023

## FROM THE EXALTED RULER

Greetings once again. I would like to start by thanking all the volunteers who make our club so wonderful. My year as your Exalted Ruler is coming to an end. Many thanks go to my officers who help me through the year, who help me make this club so great starting with Jesse O'Rouke, Jayne Ormberg, Ray and Amand Stuchell, Tom Denlinger, Linda Pittenger, Linda Elliot, Scott Moyer and Sandra Getter. This group was your 2022 Officers. Thank you again for supporting me this year. A special thanks goes out to our PER Group who helped me many times throughout my year. Speaking of Officers, we will have nominated new Officers for 2023 at our first meeting on February 2nd. If you have interest in becoming an officer there are still a couple positions open. Just contact one of the above officers if you are interested.

Tom manning the fryer on Tuesday Night Dinners

The dinners we have on Tuesday, Wednesdays and Fridays and Sunday morning breakfast all bring in good crowds.

Several of the meals the club offers will be taking a break during spring and summer such as the Tuesday Dinner

Specials and the Sunday morning Bowlers Breakfast. So you still have time to enjoy them.

The past 2 months the club had several well attended events. On February 11th, we had a Valentines dinner with the main course of prime rib or chicken that was well attended. Coming up we have a couple events you will want to attend, The Kentucky Derby Party in May and our Jimmy Buffet party that will be announced soon.

All these events are done because of volunteers. I can't begin to thank all the people who lend a hand to make this club what it is today. In closing thanks goes out to all the members for supporting the club and making it a place so everyone can enjoy. In April our dues will be due and remember your membership supports organizations such as the Veteran's Cerebral Palsy and Drug awareness just to name a few.
